A F#m E
Will you love me in heaven
A F#m E
Since I can't have you on earth
A F#m E
Will my life after dying
 F#m E A
Be better than my life after birth

A F#m E
Maybe I will just forget you
A F#m E
My memory erased
A F#m E
Even then I would be lonely
F#m E A
Maybe you will be replaced

A F#m E
They say that time heals all wounds
A F#m E
But I ain't got that much time
A F#m E
When I reach the hands of glory
F#m E A
Will I hear that sacred chime

A F#m E
They say the streets are paved with gold there
A F#m E
But there's no diamond on my hand
A F#m E
Will I ever march the aisle
F#m E A
Will there be an angel band
