G
Your eyes
Em
Are the color of water
C Bm
And like the rain falls
D7 G
I fell for you

G
Your hair
Em
Is the color of autumn
C Bm
And like the leaves fall
D7 G
I fell for you

G C
Your figure is resplendent
G C D
As you stroll across the quad
G C G
Your countenance so glorious
D D7 G
Even atheists praise God

G C
If I tell you that I love you
G C D
Will you turn and walk away
G C G
Strike me blind to save my vision
D D7 G
Don't leave my heart in disarray

G
Your eyes
Em
Are the color of water
C Bm
And like the rain falls
D7 G
I fell for you

G
Your hair
Em
Is the color of autumn
C Bm
And like the leaves fall
D7 G
I fell for you

G C
I dreamed that we were dancing
G C D
In a storm along the sand
G C G
The thunder was our music
D D7 G
As we reveled hand in hand

G C
I woke alone and lonely
G C D
And I said this cannot be
G C G
I will not rest until I make
D D7 G
This dream reality
